ANOTHER NEW HUNTING CONCEPT By DUXBAK

STYLE 020

“BRUSHBUSTER”— Nylon Reinforced Hunting Coat

Top sleeve and shoulder patch are of 240 denier waterproof nylon for better rain protection and for easier travel in heavy brush and brambles. Drop-seat, modified PAKBAK® game pocket and many other exclusive hunter-tested Duxbak features.

STYLE 077

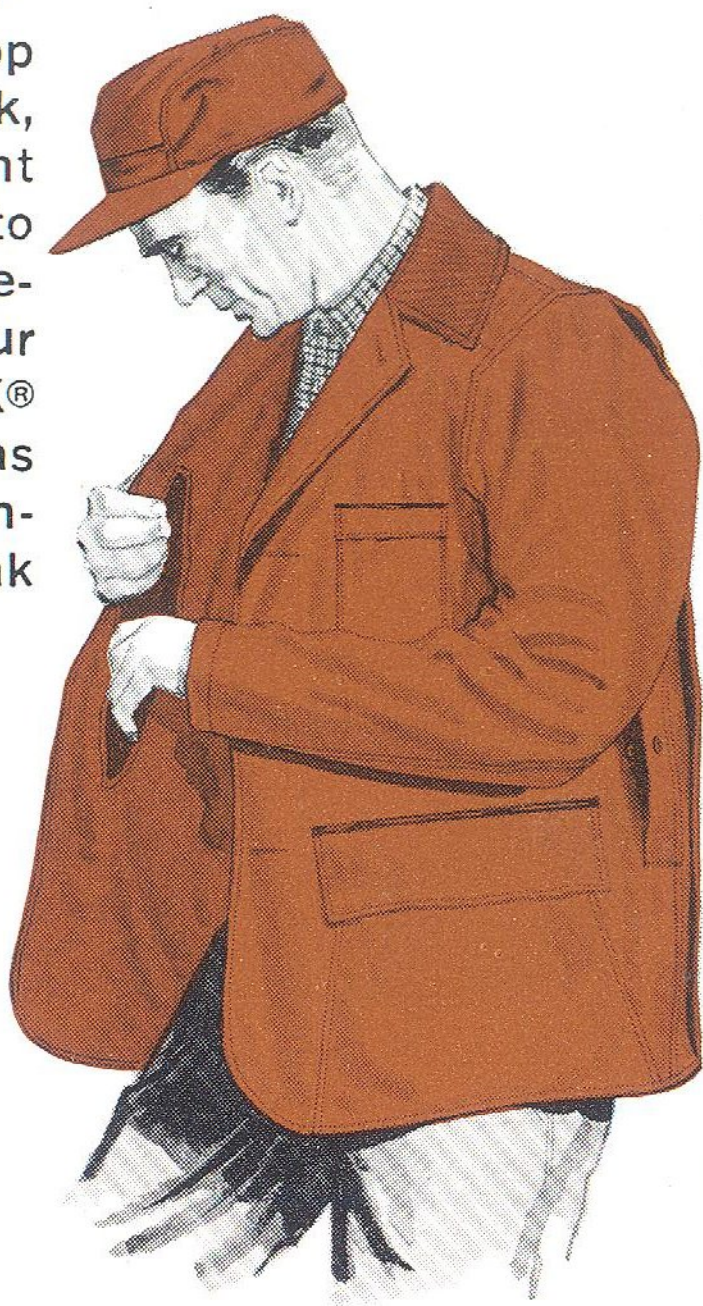

“BRUSHMASTER”— Heavyweight Nylon Faced, Front and Back New This Year: Waterproof Coated Nylon

One of the greatest developments in field pants. Strong, tough, heavyweight nylon facing wears like iron—protects entire leg in front, and well up past knee in back. Entire pant is lightweight and comfortable, with new slim styling.

STYLE 017

"UPLANDER"—Hunting Coat

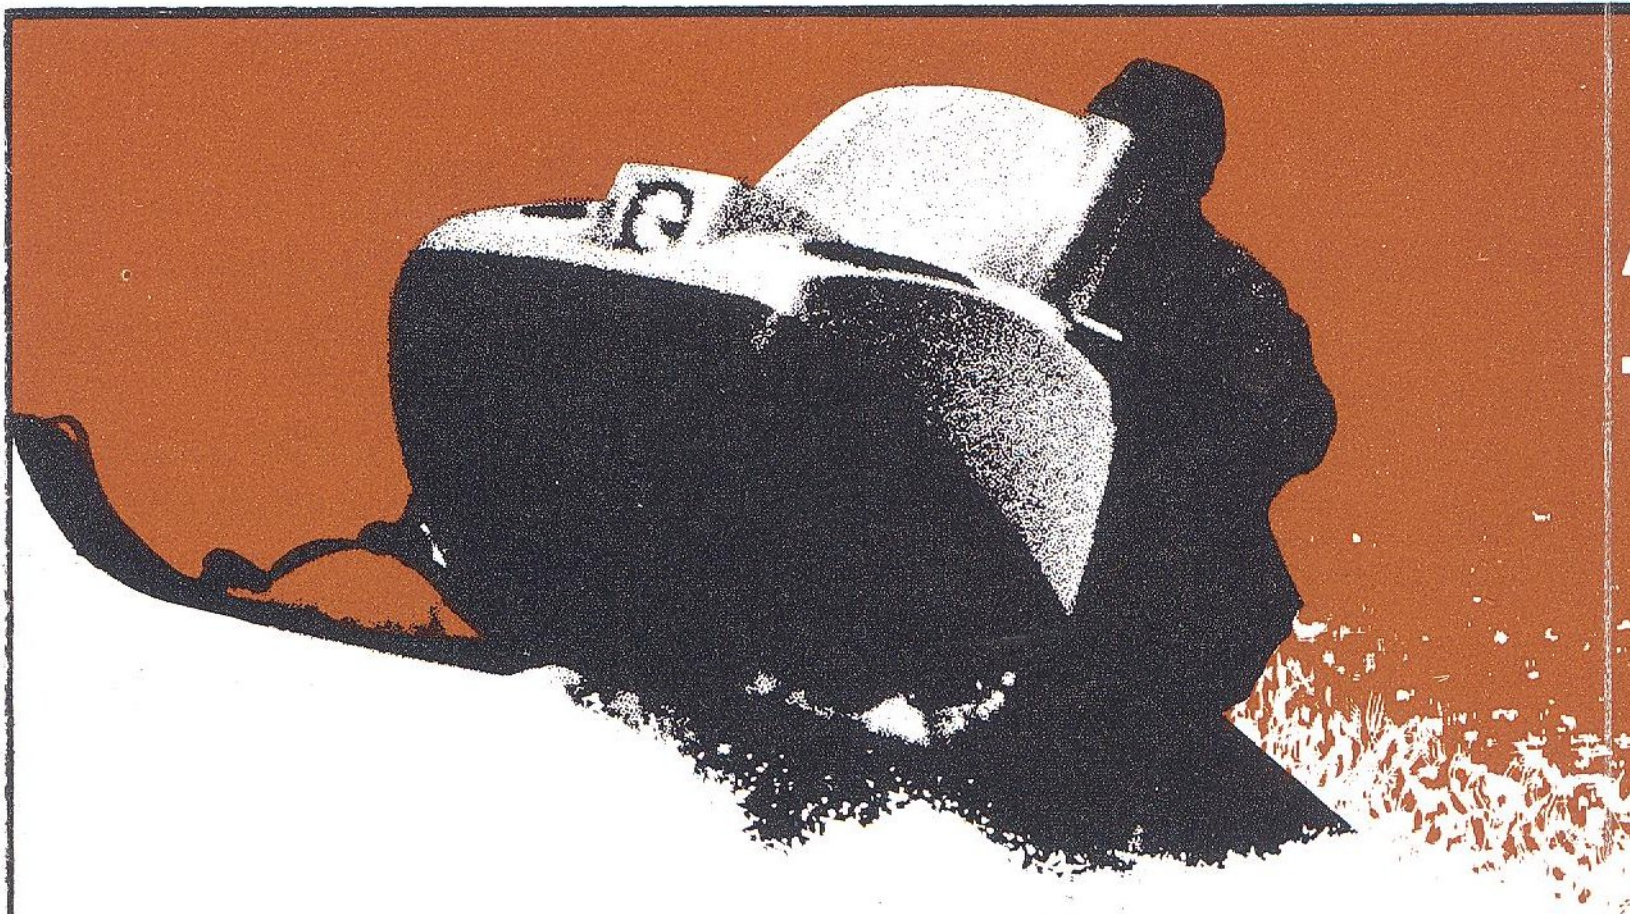

A versatile hunting coat at a popular price. This "Uplander" features a double body and top sleeve, bindless bi-swing back, hinged pivot sleeve to prevent hiking, free armhole lining to adjust for game load. Its rain repellency has been increased four times. New, modified PAKBAK® game pocket that expands as used and has outside rear entrances. All exclusive Duxbak features.

STYLE 371

"FAIRBANKS"—Down Insulated Hunting Coat

A real buy! A rugged 8 oz. shell of 65% dacron, 35% combed cotton brushed poplin, Zelan treated for lasting water repellency. The body of this fine hunting coat is insulated with prime goose down, the sleeves with Dacron® 88 polyester fiber.

STYLE 336

"DRIFT KING"—Men and Women's Insulated Snowmobile Coverall

This new coverall takes sub-zero cold in stride. 4.4 Oz. Dacron® 88 polyester quilted to 70 denier nylon lining under a 240 denier nylon oxford cloth, with a waterproof coating. Two-way zipper front with fly front over and under. Snap closures on fly front. Lay down collar with double nylon hood inside with drawstring, hidden under nylon zipper closure.
